Re: Johnson, et al. v. Nextel Communications, Inc., et al.;  
07 Civ. 8473 (GBD)

Dear Judge Daniels:

We represent plaintiffs in this case. With consent of defendants' counsel, we respectfully request an additional adjournment of time to submit plaintiff's supplemental opposition papers to defendants' motions to dismiss, from April 1 to April 4, 2008. This request is due primarily to time constraints caused by an inordinately busy calendar. This is plaintiffs' second request for additional time from the original opposition submission date of March 28, 2008. If granted defendants' reply papers would be due by May 5, 2008, and we will consent to any reasonable extension from that date as required by defendants.

Thank you for your consideration of this request.

Respectfully submitted,

*Christopher D. Watkins*
